

# Peanut MAXX

*Welcome to new age of traditional snack where nutritional benefits are maximized preserving its taste and values.*

## *Peanut Maxx Snack;*

- ✓ Made from roasted peanuts (*NOT FRIED*) with natural flavours for taste.
- ✓ Peanuts used are defatted by physical process without using any artificial chemicals.
- ✓ Such defatted peanuts have around *30% less fats\** than normal peanuts. On top of it, it has around *30% more proteins\** than normal peanut.  
( \* Based on actual sample nutritional value testing)
- ✓ Along with protein enhancement, it also enhances other nutrients and micro-nutrients percentage present in peanut.
- ✓ This benefit gives nutritional value to snack and also justify name given.
- ✓ *GLUTEN FREE SNACK* and *NO TABLE SUGAR ADDED*

## *Peanut Maxx Snack;*

- ✓ Introduced with 4 different flavours by understanding customer requirement. (*Namely Haldi Pudina, Masala Chaat, Tandoor Chaat & Fruit chaat*)
- ✓ Made with Natural ingredients to enhance the taste without using any artificial preservatives and colour. In Fruit chaat variant, *FREEZE DRIED* pomegranate and banana is used which preserves real fruit values.
- ✓ Packed hygienically in packet with Nitrogen flushing to increase shelf life.
